6.4. SELF STUDY REPORT FOR PG AND Ph.D. PROGRAMME

6.4.1. Brief History of the PG and Ph.D. Programme

The college of Agricultural Technology was sanctioned by the Government of Maharashtra in 1975 and the full fledge College of Agricultural Technology was established in May 1976 as one of the constituent colleges of this University to fulfill the academic and practical aspirations of the people of Maharashtra. It is one of the unique and premier institutions perhaps, particularly concern in technology, research and extension in important and useful field of Food Science and Technology and also offering M. Tech (Food Technology) Degree programme of two years duration since 1981 and Ph.D. (Food Technology) degree programme since 2013. (Annexure-1: Letter describing permission for establish of UG and PG College).

The structure is revamped and different departments are as follows:

- 1. Dept. of Food Process Technology
- 2. Dept. of Food Engineering
- 3. Dept. of Food Chemistry and Nutrition
- 4. Dept. of Food Microbiology and Safety
- 5. Dept. of Food Business Management
- 6. Dept. of Food Plant Operations

Vision

- To Impart Quality Higher Education in Food Science and Technology to the Students For Making Career in the Food Industry, Academia or Government Institutions.
- To Provide Basic and Applied Research in Food Technology for benefit of Farmers, Food Industry and Consumers.

Mission

• Global Human Hunger and Poverty Alleviation through Rightful Safe Food.

Objectives

- 1) To impart the depth and comprehensive knowledge of the Food Science and Technology, practical knowledge and also capacity building of the students with managerial skill and professional attitude.
- 2) To carryout basic research on processing with applied biochemical and nutritional aspects to improve and develop indigenous processing methodology.
- 3) To disseminate the innovative and viable technologies for food and allied industries
- 4) To intensify research on postharvest losses and evolve improved methodology for storage and transportation.
- 5) To provide technical advice and guidance to the entrepreneurs in the state and the country.

6) To create nutritional awareness among the rural masses in particular and socioeconomically poor people of society through extension activities regarding food and human nutrition.

Accomplishment

- Significant contribution in development of highly skilled human resource in the field of food technology.
- Successful completion of number of national and international schemes viz. PL480-USA, AICRP, NATP, State Government Schemes, MoFPI, etc.
- More than 100 recommendations for development of various technologies for food product development.
- Organization of difference Short term courses, winter school programmes and training to stakeholders to dissemination of developed technologies.
- Serve as centre point for food entrepreneurship development in the region.
- Collaboration with State Government for planning and implementation of different programmes.

M. Tech. (Food Technology)

1. Qualification : B. Tech (Food Technology) from Agricultural University. 2. Admission : Entrance exam will be conducted by respective universities

based on the syllabus used by ICAR for all India entrance

: 15 including ICAR quota **Intake capacity**

4. Distribution of credits

Major 20 credits Minor* 9 credits Supporting# 5 credits Seminar 1 credit Thesis 20 credits

Total credits: 55

#Supporting Courses in the revised syllabus can be compared with earlier minor courses. Being uncommon, supporting courses can easily be adjustable according to need of student/ department and not to be evaluated by the comprehensive examination

^{*}Minor Courses in the revised syllabus notified in three independent groups considered as supplementary to the major field where external evaluation of comprehensive theory examination is a salient feature and hence to be common. One course from each group needs to be offered.

Courses in M. Tech. (Food Technology)

| Sr.No. | Course No. | Course Title | Credit |
|--------|---------------|---|--------|
| 1 | FST 601 | Advances In Food Chemistry & Nutrition | 2+1 |
| 2 | FST 602 | Modern Food Microbiology | 2+1 |
| 3 | FST 603 | Advances In Food Engineering | 2+1 |
| 4 | FST 604 | Food Processing | 2+0 |
| 5 | FST 605 | Food Packaging | 1+1 |
| 6 | FST 606 | Food Analysis | 0+2 |
| 7 | FST 607 | Food Quality Systems & Management | 2+1 |
| 8 | FST 608 | Equipment Design & Process Control | 1+1 |
| 9 | FST 612 | Nutraceuticals & Health Foods | 2+1 |
| 10 | FST 619 | Cold Chain Management | 2+0 |
| 11 | FST 620 | Food Supply Chain Management | 1+1 |
| 12 | FST 632 | Beverages Technology | 1+1 |
| 13 | FST 634 | Grain Storage Technology | 2+1 |
| 14 | FST-532 | Computer Applications In Food Industry | 1+2 |
| 15 | FST-533 | Business Management & International Trade | 3+0 |
| 16 | PGS-501 | Library And Information Services | 0+1 |
| 17 | PGS-502 | Technical Writing And Communication Skills | 0+1 |
| 18 | PGS-503 | Intellectual Property And Its Management In Agriculture | 1+0 |
| 19 | PGS-504 | Basic Concept In Laboratory Techniques | 0+1 |
| 20 | PGS-505 | Agricultural Research Ethics And Rural Development | 1+0 |
| | | Programmes | |
| 21 | PGS-506 | Disaster Management | 1+0 |
| 22 | - | SEMINAR | 0+1 |
| 23 | - | RESEARCH | 20 |
| | | TOTAL | 55 |

Ph.D. (Food Technology)

1. Qualification : M. Tech (Food Technology) from Agricultural University.

2. Admission : Entrance exam is conducted by MCAER, Pune. Selection is

done on merit basis considering 70% scheme to Entrance

Examination and 30% CGPA.

Intake capacity : 4 No.

4. Distribution of credits :

Major 15 credits

Minor 8 credits

Supporting 5 credits

Seminar 2 credits

Research 45 credits

Total credits: 75

Courses in Ph.D. (Food Technology)

| Course No. | Course Title | Credit |
|---------------|--|-------------------|
| Major Cou | rses | Total = 15 |
| FST 601 | Recent advances in grain processing | 2+1 |
| FST 602 | Recent advances in fruits and vegetable processing | 1+1 |
| FST 603 | Novel techniques in food analysis | 1+1 |
| FST 604 | Advances in food process engineering | 2+1 |
| FST 605 | Microbial food safety and risk analysis` | 1+1 |
| FST 606 | Advanced food packaging | 2+1 |
| Minor Cou | rses | Total = 8 |
| FST 611 | Nutraceuticals and functional foods | 2+1 |
| FST 612 | Advances in food biotechnology | 2+1 |
| FST 613 | Recent advances in meat, fish and poultry technology | 2+1 |
| FST 614 | Recent advances in bioprocess engineering | 2+1 |
| FST 615 | Agrochemicals and residues in food | 1+1 |
| FST 616 | Techniques in sensory evaluation of foods | 1+1 |
| FST 617 | Food biochemistry and nutrition | 1+1 |
| FST-618 | Advances in lipid technology | 1+1 |
| FST 619 | Advances in protein technology | 1+1 |
| Supporting | Courses | Total = 5 |
| FST 620 | Project planning and implementation | 2+1 |
| FST 621 | Research methodology | 1+1 |
| FST 622 | Statistical quality control | 1+1 |
| FST 623 | Computer application in food research | 1+1 |
| Seminar | 1 | Total = 2 |
| FST 691 | Doctoral Seminar – I | 0+1 |
| FST 692 | Doctoral Seminar – II | 0+1 |
| | | Total = 45 |

6.4.2. Faculty Strength

The academic and supporting staff approved for Under Graduate Programme of B. Tech. (Food Technology) is used for Post Graduate and Ph.D. teaching, research and extension. The faculty strength of the Degree Programme is given cadre-wise, both sanctioned and in-place as below.

Table-1: Faculty strength of College of Food Technology

| Sr.No. | Post | Sanctioned | In position | Vacant |
|--------|----------------------------|------------|-------------|--------|
| 1 | Associate Dean & Principal | 1 | - | 1 |
| 2 | Professor | 2 | 1 | 1 |
| 3 | Associate Prof. | 11 | 8 | 3 |
| 4 | Assistant Prof. | 9 | 6 | 3 |

Table 2: Department-wise faculty profile of institute

| Sr. | | | Sanction | ned | I | n positio | n | | Vacant | , |
|-----|--------------------------------|-------|----------------|----------------|-------|----------------|----------------|-------|----------------|----------------|
| No. | Department | Prof. | Asso. Prof. | Asst. Prof. | Prof. | Asso. Prof. | Asst. Prof. | Prof. | Asso. Prof. | Asst. Prof. |
| 1 | Food Process Technology | 1 | 3 | 3 | - | 2 | 3 | 1 | 1 | - |
| 2 | Food Engineering | 1 | 3 | 2 | 1 | 2 | - | - | 1 | 2 |
| 3 | Food Chemistry Nutrition | - | 2 | 2 | - | 2 | 2 | - | - | 1 |
| 4 | Food Microbiology Safety | - | 1 | 1 | - | 1 | 1 | - | - | - |
| 5 | Food Business and Management | - | 2 | - | - | 1 | - | - | 1 | - |
| 6 | Food Plant Operation | - | - | 1 | - | - | 1 | - | - | - |
| | Total | 2 | 11 | 9 | 1 | 8 | 6 | 1 | 3 | 3 |

College regularly organizes lecture series by experts and guest faculty to fulfil academic aspirations for various programmes.

Glimpses of Lecture Series by Experts and Guest faculty

6.4.3 Technical and Supporting Staff

The position of technical and supporting staff of Degree Programme are tabulated showing sanctioned, in position and vacancy staff.

Table-3: Position of ministerial staff

| Sr. No. | Post | Sanctioned | In position | Vacant |
|---------|--------------|------------|-------------|--------|
| 1 | S.O. | 1 | 1 | - |
| 2 | Senior Clerk | 2 | 1 | 1 |
| 3 | Jr.Clerk | 6 | 3 | 3 |
| 4 | Steno | 1 | - | 1 |
| 5 | Sweeper | 2 | 1 | 1 |
| 6 | Watchmen | 3 | 1 | 2 |
| 7 | Peon | 2 | 2 | - |
| 8 | Lab Asst. | 4 | - | 4 |
| 9 | Mazdoor | 5 | 4 | 1 |

Technical Staff

Table-4: Position of technical staff and supporting staff

| Sr. No. | Post | Sanctioned | In position | Vacant |
|-----------|------------------|------------|-------------|--------|
| 1 | SRA | 6 | 1 | 5 |
| 2 | TI | 2 | 1 | 1 |
| 3 | Boiler Asst. | 1 | 1 | - |
| 4 | Sr. Mechanic | 1 | - | 1 |
| Supportin | ng Staff | | | |
| 5 | Machine operator | 3 | 3 | - |
| 6 | Wireman | 1 | 1 | - |
| 7 | Electrician | 1 | 1 | - |
| 8 | Driver | 1 | - | 1 |
| 9 | Observation Boy | 1 | 1 | - |
| 10 | Nursery Asst. | 1 | 1 | - |

6.4.4. Classrooms and Laboratories

Department wise PG laboratories and equipment housed in individual laboratory in the college along with any other research unit are presented as follows:

Classrooms

Table 5: Classrooms in the college

| Sr. | Classrooms | Quantity | Space | Capacity |
|-----|---|----------|-------|----------|
| No. | | (No.) | | |
| 1 | PG and Ph.D. Classroom in Dept. of Food | 1 | | 20 |
| | Engineering | | | |
| 2 | PG and Ph.D. Classroom in Dept. of Food | 1 | | 20 |
| | Business Management | | | |
| 3 | PG and Ph.D. Classroom in Dept. of Food | 1 | | 20 |
| | Chemistry and Nutrition | | | |

Considering high capacity of classrooms and laboratories 1 batch is conducted for all theory and practicals.

Laboratories in the college

Table-6. Laboratories in the college

Analytical Laboratory

Post Graduate and Ph.D. Laboratory

6.4.5. Conduct of Practical and Hands-on-Training

M. Tech. (Food Technology) and Ph.D. (Food Technology) programme includes Practicals in curricula enriching students with Practical skills. Moreover, subjects like Food Analysis and Microbiology are given special attention to make student acquaint with the practical skills.

It is also compulsory for the students to subject their dissertation for programmes which include vigorous research activities thereby strengthening the practical skills in students.

Table-14: Conduct of Practical and Hands-on-Training during PG programme

| Sr. | Course | Course Title | Skill learned through conduct of practical and | | | |
|-----|---------|---------------------|---|--|--|--|
| No. | No | | hands on training | | | |
| 1. | FST-532 | Computer | 1. Toget acquaint with basic computer application | | | |
| | | application in Food | in modern food industry. | | | |
| | | Industry | 2. To know the computer bases software's. | | | |
| 2. | FST-533 | Business | 1. To acquaint with techniques of Business | | | |
| | | Management and | Management & Internationaltrade for food | | | |
| | | International Trade | sector. | | | |
| 3. | FST-601 | AdvancesinFoodCh | 1. To go beyond basic chemistry and nutrition in to | | | |
| | | emistryandNutritio | advances. | | | |
| | | n | 2. To developing healthy and nutritious foods for | | | |
| | | | normal and special category of population. | | | |
| 4. | FST-602 | ModernFoodMicro | 1. To expose to the recent advances and | | | |
| | | biology | applications in the area of foodmicrobiology. | | | |
| 5. | FST-603 | AdvancesinFoodEn | 1. To acquaint with recent advances of Food | | | |
| | | gineering | Engineering and its Processes. | | | |
| 6. | FST-604 | Food Processing | 1. To develop an insight among the students about | | | |
| | | | the existing moderntechniques. | | | |
| | | | 2. To aware them about their methodology and | | | |

| | | | | applications infood processing. |
|-----|---------|--|------------------------|---|
| 7. | FST-605 | Food Packaging | 1. 2. | To provide knowledge about selected trends and development in foodpackaging technologies. To assuring the safety andquality of foodstuffs in order to design an optimized package. |
| 8. | FST-606 | Food Analysis | | To develop an understanding and methodologies of instrumental techniques in food analysis used for objective methods of food quality parameters. |
| 9. | FST-607 | Food Quality System and Management | 2. | To acquaint with food quality parameters and control systems. To study the food standards, regulations, specifications. |
| 10. | FST-608 | Equipment design and Process control | 1. 2. | To introduce basic equipment design. To know the various process control mechanisms and related engineering aspects. |
| 11. | FST-612 | Nutraceuticals and Health Foods | 2. | To cater to the newly emerging area of nutraceuticals with respect to the types, mechanisms of action. To know the manufacture of selected nutraceuticals, product development, clinical testing and toxicity aspects. |
| 12. | FST-619 | Cold Chain Management | 2. | To acquaint the students with technology and operational systems of cold chain management in the retail. To study the whole sale and over all supply chain in the food industry. |
| 13. | FST-620 | Food Supply chain Management | 1. | Study the concept, applications, systems and practices of food supply chain. To know the management in food industry |
| 14. | FST-632 | Beverage Technology | 2. | To provide a technical view of beverages & manufacturing processes. To study the technology and its relatedchemistry as well as a more fundamental appraisal of the underlying science. |
| 15. | FTS-634 | Grain Storage Technology | 1. 2. | To expose the students to the large scale handling and storage mechanism of grains. To know the engineering operations and the control of physical, chemical and biological spoilage during storage of grains. |

Table 15: Conduct of Practical and Hands-on-Training during Ph.D. Programme

| Sr. No. | Course No | Course Title | Skill learned through conduct of practical and hands on training |
|------------|--------------|--|--|
| 1. | FST-601 | Recent Advances in Grain Processing | To study the recent advances in cereals, pulses and oilseed processing. To expose the students in the large scale handling and storage mechanism of grains. To know the engineering operations and the control of physical, chemical and biological spoilage during storage of grains. |
| 2. | FST-602 | Recent Advances in Fruits and Vegetable Processing | To know the Quality attributes of fresh fruits and vegetables. To study the recent techniques in fruits and vegetables processing and preservations like Microwave and radio frequency processing, ohmic and inductive heating. |
| 3. | FST-603 | Novel Techniques in Food Analysis | To know various advances food analysis techniques likes UV-visible and infrared spectroscopy. To develop an understanding and methodologies of instrumental techniques in food analysis used for objective methods of food quality parameters. |
| 4. | FST-604 | Advances in Food Process Engineering | To study the Different types of membrane processes. To know the different Fluid flow operations and food rheology. To acquaint recent developments Extrusion cooking. |
| 5. | FST-605 | Microbial Food Safety and Risk Analysis | To study the Issues in Food Safety, Genetically Engineered Foods and its Regulation. To introduction to Risk Analysis its Background, changing food safety environment. To know the drinking water quality: History, Water Supply, Hazards to the Water Supply. |
| 6. | FST-606 | Advanced Food Packaging | To know the Basic types of food processing for packaging. To study the Packaging of fresh and chilled foods. |

| | | | 3. To know Packaging Machinery Production and |
|-----|---------|---------------------|---|
| | | | packaging line requirements. |
| 7. | FST-611 | Nutraceutical and | 1. To study the nutraceutical Stability Concerns |
| | | Functional Foods | and Shelf Life Testing. |
| | | | 2. To know the nutraceutical and Functional Food |
| | | | Application. |
| | | | 3. To study the Major nutraceuticals component |
| | | | their Source and Metabolism. |
| 8. | FST-612 | Advances in Food | 1. To study the Genetic recombination mechanisms |
| | | Biotechnology | and technique. |
| | | | 2. To know the Applications of genetical control |
| | | | mechanism in industrial fermentation process. |
| 9. | FST-619 | Advances in | 1. To study the characteristics of proteins from |
| | | Protein Technology | plant, animal and microbial origins. |
| | | | 2. To know the Protein interactions with food |
| | | | constituent. |
| | | | 3. To prepare the various protein rich food |
| | | | products. |
| 10 | FST-620 | Project Planning | 1. To propose the project management |
| | | and Implementation | 2. To plan organize and control activities related to |
| | | 1 | various projects. |
| 11. | FST-623 | Computer | 1. To get acquaint with basic computer application |
| | | application in Food | in modern food industry. |
| | | Research | 2. To know the computer bases software's. |
| | | Research | |

Post Graduate

Ph.D. Laboratory

6.4.6. Supervision of students in PG/PhD programmes

Number of students supervised by Faculty in PG and Ph.D. programme are presented as follows:

Table-16: Number of Students supervised for PG Programme

| NI C | No. of students supervised in PG programme | | | | | | | | | |

6.4.7. Feedback of stakeholders (Students, parents, industries, employers, farmers etc.)

College has well defined feedback mechanism of different stakeholders i.e. students,

parents, industries, employers and farmers. Moreover, suggestions/complaint box is situated near ADP office so that students can unanimously give their feedback to the authorities. Regular students-parents meeting are organized to take feedback from the parents. Employers are encouraged to give their feedback during monthly meetings while employers and farmers suggestions and feedback are taken directly through regular inward procedure. Further, industries are in contact through the In-plant training and wide network of alumni where special proforma is prepared and circulated amongst the concern industries to give their feedback. The summary of feedback received from different stakeholders and action taken are presented in Annexure-2.

6.4.8. Student intake and attrition in the programme for last nine years

6.4.9. ICT Application in Curricula Delivery

Computer Laboratory

The College of Food Technology, VasantraoNaikMarathwadaKrishi Vidyapeeth, Parbhani has established smart class rooms which bring the concept of "Show me and I understand" for better understanding of students. The innovative and meaningful use of ICT technology results in transforming the way teachers "teaching" and effective student "learning" in this college. The smart class rooms tools in terms of audio-visual senses shows to be more appealing for the students. This method of teaching help in-turn to make students good communicators to resolve their difficulty at place. The list of smart class rooms tools are as follows:

- 1. Desktop/Laptop
- 3. Interactive Projector- K-Yan
- 5. Digital Podium

- 2. Simple-Projector
- 4. Headphones and speakers

6.5 SELF-STUDY REPORT FOR THE COLLEGE

Preamble

Food Science and Technology lies in the fact that it has the capability and creditability to provide more food through apt scientific conservation, eliminating avoidable losses and making available more nutritious food, and high value products from low grade raw materials by processing, packaging, transport, marketing and also by-products and waste utilization using an integral approach. It enables the creation of agro-based industries to produce value added products assuring the greater financial returns and generating employment opportunities, and in turn will provide a greater potential to revival in rural economy. However, it should be born in mind that the technology varies with the commodity and also is location specific. Thus, modernization of post-harvest operations and agro-processing industries through appropriate technology has a vital role to play in national economy in general and rural economy in particular.

To materialize this vital and novel idea, Prof. D. K. Salunkhe, an eminent educationalist and researcher and the then Vice-Chancellor of this University had proposed to establish a College of Agricultural Technology. The College of Agricultural Technology was sanctioned by the Government of Maharashtra in 1975 and the full fledge College of Agricultural Technology was established in May 1976 as one of the constituent colleges of this University to fulfil the academic and practical aspirations of the people of Maharashtra. It is one of the unique and premier institutions perhaps, particularly concern in technology, research and extension in important and useful field of Food Science and Technology and also offering B. Tech (Food Science) degree programme of four years duration including In-plant Training of one semester in food and allied industries, first of its kind in the country.

The course curricular and syllabus of UG programme of B. Tech (Food Technology) is restructured by the Vth Deans Committee of ICAR, New Delhi and to be implemented from the year 2017-18. This degree programme is designed for a period of four years after 12th Science with the credit load of 185 (92+93) to enable the students to acquire need based and refined knowledge and skills in the field of Food Technology. The credit load of 185 proposed to equate the B. Tech. (Food Technology) degree programme.

Table-1: Programmes offered at establishment

| Sr.No. | Programme | Nomenclature | No. of Seats | Credit load |
|--------|--------------------|----------------------------|--------------|-------------|
| 1 | Undergraduate (UG) | B. Tech (Food Technology) | 64 | 185 |
| 2 | Post Graduate (PG) | M. Tech. (Food Technology) | 15 | 55 |
| 3 | Ph.D. | Ph.D. (Food Technology) | 05 | 75 |

The structure is revamped and different departments are as follows:

- 1. Department of Food Process Technology
- 2. Department of Food Engineering
- 3. Department of Food Chemistry and Nutrition
- 4. Department of Food Microbiology and Safety
- 5. Department of Food Business Management
- 6. Department of Food Plant Operations

Vision

- To impart quality higher education in Food Science and Technology to the students for making career in the food industry, academia or government institutions.
- To provide basic and applied research in food technology for benefit of farmers, food industry and consumers.

Mission

• Global human hunger and poverty alleviation through rightful safe food.

Objectives

- To impart the depth and comprehensive knowledge of the Food Science and Technology, practical knowledge and also capacity building of the students with managerial skill and professional attitude.
- 2) To carryout basic research on processing with applied biochemical and nutritional aspects to improve and develop indigenous processing methodology.
- 3) To disseminate the innovative and viable technologies for food and allied industries.
- 4) To intensify research on postharvest losses and evolve improved methodology for storage and transportation.

- 5) To provide technical advice and guidance to the entrepreneurs in the state and the country.
- 6) To create nutritional awareness among the rural masses in particular and socioeconomically poor people of society through extension activities regarding food and human nutrition.

Accomplishment

- Significant contribution in development of highly skilled human resource in the field of food technology.
- Successful completion of number of national and international schemes *viz.* PL480-USA, AICRP, NATP, State Government Schemes, MoFPI, etc.
- More than 100 recommendations for development of various technologies for food product development.
- Organization of difference Short term courses, winter school programmes and training to stakeholders to dissemination of developed technologies.
- Serve as centre point for food entrepreneurship development in the region.
- Collaboration with State Government for planning and implementation of different programmes.

6.5.1 College Administration

6.5.1.1 College Associate Dean's Office Establishment

The post of Associate Dean and Principal College of Food Technology has been sanctioned by State Government Regulation. The said post is vacant till to date and presently Prof. Dr.A.R.Sawate, Professor, Food Technology has been entrusted the additional charge of Associate Dean and Principal in addition to his own duties since 01.05.2017. The tenure of the same is up to till the date of retirement Dr. A.R. Sawate.

Table-2: Details of associate dean of establishment

| Sr.No. | Name | Date | Mode of selection | Tenure |
|--------|--------------------|------------|-------------------|------------------|
| 1 | Dr. R.B.Kshirsagar | 19/10/2022 | Additional charge | Till the date of |
| | | | | retirement |

The infrastructure facilities available in the Dean's Secretariat are as follow:

Chamber of Associate Dean and Principal is well established in facilities like Computer, CCTV Camera, Printer, telephone, Internet Facilities, Refresh room, Conference Hall, Sofa set, Air conditioners refrigerator, Almera, and Xerox/copier facilities. The Secretariat office of Associate Dean and Principal, also equipped with computer, printer, internet, cupboards, copier, fax and other required facilities

Staff Facilities

Table-3: Ministerial staff available

| Sr.No. | Post | Sanctioned | In position | Vacant |
|--------|-----------------|------------|-------------|--------|

| 4 | Driver | 1 | - | 1 |
| 5 | Observation Boy | 1 | 1 | - |
| 6 | Nursery Assistant | 1 | 1 | - |

6.5.1.2. Monitoring Mechanism for Quality Education

The College of Food Technology is having internal quality assurance system with appropriate academic and ministerial staffs with their well define activities and responsibilities for planning guiding and monitoring quality assurance and quality enhancement activities i.e. making the highly qualified and skilled human resources in the field of food science and technology to serve as technical manpower for MNCs, PG and Ph.D. degree holders are qualified in ASRB and NET exam at state level and became as academics recruited in national and international institutes/research station. Moreover the need base basic and applied research carried out by the academic staff members results in to dissemination of technology/ recommendations for the entrepreneur, youth and farmwomen. However, the extracurricular activities in cultural, literary events make the enhancement of student's personality and overall developments.

COLLEGE OF FOOD TECHNOLOGY VNMKV, PARBHANI

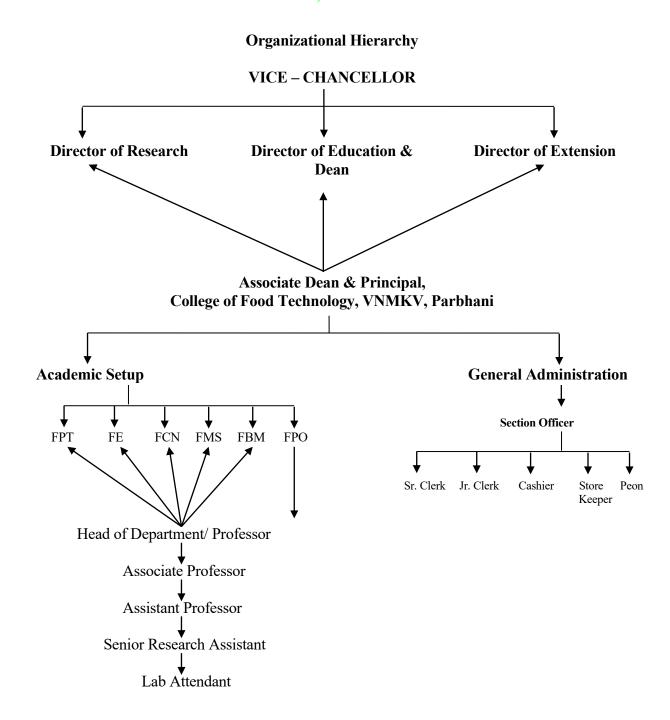

Figure – 1: Organizational Hierarchy

College Monitoring System

College level monitoring of teaching, research and extension activities are regularly carried out in monthly meeting. During this meeting, Associate Dean and Principal takes the review of different departmental activities as follows;

- **Teaching**: The status of teaching according to submitted schedule by course teacher.
- Research: Planning of research is done well in advance and submitted to Agresco Research Review Meeting during the beginning of academic year. Moreover, the status of research is carried out by Associate Dean and Principal to complete the task within stipulated time.
- Extension: Extension activities are regularly planned according to the requirement of stakeholders and dissemination of technology is done through organization of *Melavas*, Rallies, and Exhibition where different research outcomes are shared by means of posters, presentations and oral advice to the stakeholders. Moreover, discuss of future activities is carried out in monthly meetings.

Departmental Monitoring System

The Schedule of 1st and 3rd Saturday is defined to have a meeting between course teachers and Head of the Departments for monitoring status of lecture, practical and percentage of syllabus covered according to the schedule. Moreover, all the course teachers submit their respective subject teaching schedule at the inception of course which is regularly monitored by the Head of Departments.

Monitoring of Students Learning through Academic means (Examination and Evaluation)

The Institute has robust semester wise MID term, Semester End Examination and Practical Exam, which is conducted as per the schedule prescribed by MCAER, Pune Board.

- Submission of Question Papers with Model Answer Key is carried out well in advance during the beginning of semester.
- The MID examination is carried out as per the academic schedule based on the covered syllabus.
- Final Semester End Examination is carried out strictly as per schedule with complete
 established monitoring system to prevent any misconduct and unfair means during the
 examination. The online monitoring during examination include various activities like
 appointment of Invigilator over every 20 students, establishment of CCTV online
 monitoring during exam, Surprise visit of Squad and University authorities. Moreover, the

university regulations have specified robustly system and procedure to deal with any misconduct.

- Semester End Practical Examination is conducted under the supervision of External Examiner to monitor the acquired practical knowledge amongst the students.
- Evaluation of Answer sheets of students is carried out strictly in accordance with the Model Answer key within the prescribed time limit.
- Academic staff of the Institute is also carry out re-evaluation of answer sheets in case students submit request for re-evaluation to University.

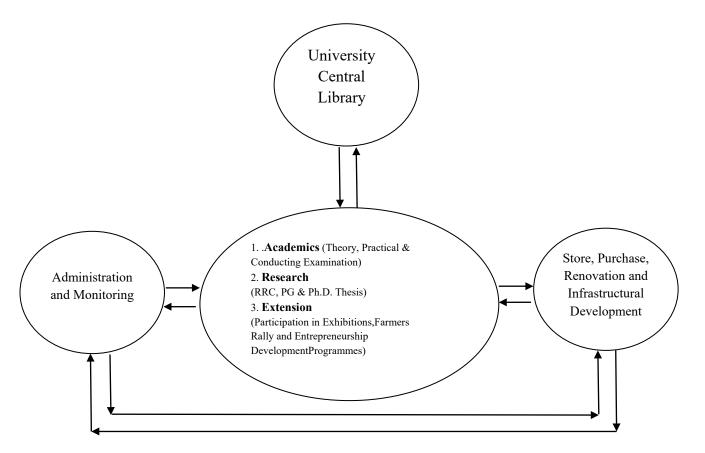

Fig 2. Monitoring of Students Learning through Academic means

Responsibility and Authority

Associate Dean and Principal

Overall responsibility of running and development of the college as per the statutes of Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani which include College and

Academic administration, Research and Extension Activities, Associate Dean and Principal is fully responsible and authorize to run the college effectively for the courses as per the Fifth Dean's committee report and operational guidelines of the MCAER, Pune.

Head of the Department

- 1. Overall responsibility of the department including manpower, laboratory setup, procedures and control.
- 2. To ensure that register is maintained for equipment uses, chemical uses and glassware breakage.
- 3. To distribute the responsibility amongst the department members.
- 4. Ensure that list of chemicals, equipment, glassware prepared by respective course teacher.
- 5. Getting quotation of the required items from various parties.
- 6. Making comparative list.
- 7. Getting approval from higher authority.
- 8. Follow up action for getting the material.
- 9. Coordination between departmental staff, examination in-charge and academic in-charge for deciding college timetable and examination timetable.
- 10. Conducting meeting with staff member every week for review of syllabus completion (Theory and Practical) and take corrective measures such as conducting extra period if them lacking behind.
- 11. To ensure that lectures and practical are conducted regularly.
- 12. To ensure the discipline is maintained by the student.
- 13. To ensure that the record is maintained for all the goods possessed by department this will include furniture, office equipment's and keys.
- 14. To ensure the cleanliness and hygiene in the department.
- 15. The leave application should be signed by Head of Department for all persons working in the department.
- 16. To forward the practical requirement received from respective course teacher to Associate Dean and Principal for approval.
- 17. In case of any difficulty in the operation, to keep principal informed so that necessary guidance can be given.

Associate Professor

- 1. To prepare course plan/ teaching schedule for PG and Ph.D. students
- 2. To complete the syllabus according to course for theory and practical to assist and guide the PG and Ph.D. students in their research projects
- 3. To maintain the advisee records as a guide
- 4. To carry out research work as per the mandates gives by Research Review Council.
- 5. To perform the assigned duties by the examination cell of the college such as invigilation, external examiner as well as the assigned duties of Deputy Register (Academic) such as examination paper evaluator and senior supervisor.
- 6. To perform any other responsibilities that deems fit assigned by the concerned authorities

Assistant Professor

- 1. To prepare course plan/teaching schedule.
- 2. To complete the syllabus according to course for theory and practical.
- 3. To maintain the attendance record of students.
- 4. To maintain the advisee records as an advisor.
- 5. To carry out research work as per the mandates gives by Research Review Council.
- 6. To perform the assigned duties by the examination cell of the college such as invigilation, external examiner as well as the assigned duties of Deputy Register (Academic) such as examination paper evaluator and senior supervisor.
- 7. To perform any other responsibilities that deems fit assigned by the concerned authorities.

Senior Research Assistant (SRA)

- 1. To conduct assigned departmental research work.
- 2. To help and conduct the UG, PG and Ph.D. practical.
- 3. To perform the assigned duties by the examination cell of the college such as invigilation, external examiner as well as the assigned duties of Deputy Register (Academic) such as examination paper evaluator and senior supervisor.
- 4. To perform any other responsibilities that deems fit assigned by the concerned authorities.

6.5.1.3. CC/Board of Studies

Board of Studies is formulated by the respective Heads of the Departments as chairman, while the other faculty members are secretary and members for the board. The Board of Studies also has Invitee members and Nominated members from the industry and academia to justify the need of research and its scope for commercialization and in line with regulatory requirements.

Table-6: Composition of Board of Studies

| Sr. No. | Designation | No. |
|---------|----------------------------------|-------------|
| 1. | Chairman | 1 |
| 2. | Member Secretary | 1 |
| 3. | Members | |
| | a. Members from Department | 2 |
| | b. Members from other Department | 2 |
| 4. | Invitee Members | As required |
| 5. | Nominated Members | |
| | a. From Education Field | 1 |
| | b. One from Industry/FSSAI | 1 |

Board of Studies for different departments is established separately considering the scope of department and respective experts from the field are invited for the same.

Board of Studies: Department of Food Process Technology

Board of Studies: Department of Food Engineering

Table-8: Board of Studies of Department of Food Engineering

| Sr. No. | Year | Date of Meeting | Major Recommendation |
|------------|---------|--------------------|--|
| 1 | 2013-14 | 8.8.2013 | 1. Due to shortage of eligible academic staff members to teach and guide research projects of Ph.D. students of this department, therefore Ph.D. students should not be allotted to this department. |

| 2 | 2014-15 | 2.12.2014 | One permanent clerk should be given to this department to look after the work of examination and the vacant post of lab boy in the PHT scheme should be filled for smooth functioning of the scheme. The list of external examiners (10) to evaluate the M.Tech. (Food Tech.) Thesis of this department was approved (list enclosed). The synopses of M. Tech. (Food Tech.) students of this department were approved. One permanent clerk should be given to this department to look after the work of examination and the vacant post of lab boy in the PHT scheme should be filled for smooth functioning of the scheme. The list of external examiners (10) to evaluate the M. Tech. (Food Tech.) thesis of this department was approved. The synopses of M. Tech. Food Tech. students of this department were approved. The members of Board of Studies Meeting has been unanimously nominated invitee Member Dr. Syed Rizwan, Associate Professor, Sir Sayyed College of Science, Nagsen Colony, Roushan Gate, Aurangabad-431001 and Dr. Rizwan also acted as a advisor of MIT Institute, Aurangabad and KVK Jalna. Mobile No.: 932505247, E-mail: sayedra31@gmail.com. Dr. Rizwan nominated in place of Ms. RajeshreeSawant for advice and guidance regarding Food Processing Operations and Value Addition. In the Board of Studies meeting the following research projects are finalized for M.Tech. (Food Tech.) students working in the Department of Food Engineering. |
|---|---------|------------|---|
| 3 | 2015-16 | 28.8.2015 | 1. The research topics of Ph.D. (Food Tech.) students are presented in front of committee and the committee members were discussed the research topics at length and finalized. |
| 4 | 2016-17 | 28.07.2016 | One permanent clerk should be given to this department to look after the work of examination and the vacant post of lab boy in the PHT scheme should be filled for smooth functioning of the scheme. The research work of the M. Tech. and Ph.D. (Food Tech.) students were discussed at length and finalized. The finalized research topics of M. Tech. and Ph.D. (Food |

| | | | Tech.) students are presented in front of committee. The |
|---|---------|-----------|---|
| | | | research topics approved by the committee which is listed |
| | | | below. |
| 5 | 2017-18 | 3.11.2017 | 1. Approval of topic of M. Tech. and Ph.D. (Food Tech.) |
| | | | students. |
| | | | 1. Fill up vacant position of Senior Research Assistant. |
| | | | 2. Increase in total intake capacity of Ph.D. students to five. |

Department of Food Chemistry and Nutrition

6.5.1.4. Anti-Ragging Cell

College of Food Technology follows the regulations and subsequent guidelines issued by the UGC regulations on curbing the menace of ragging in higher educational institutions. The information and points to curb ragging is highlighted at institutional level by means of boards and notifications. Anti-ragging information, warning and punishments are also highlighted in College Boys Hostel buildings. The college has anti-ragging Committee/ squad of academic staff members to look after the freshers and strict check over the senior students. Every year declarations by students and their parents regarding anti-ragging is collected and recorded officially. In the beginnings of new semester, college organizes the fresher's welcome party to build the familiar environment among the fresher's and senior students of college. During this programme the students are guided by the Associate Dean and Principal of college also by the Chief Guest Director of Instruction and Dean, Faculty of Agriculture to keep all the students on their right path of education and make healthy environment in college and hostel campus.

Moreover, the college has vigilance committee of staff members to keep check over the student's activity. The vigilance committee and squad undertake frequent and sudden visits at any time to the hostels (boys and girls), library, play grounds and other places in the college / university campus/ premises. The due care is always taken for the food and hospital aids for the fresher's. It is worthy to quote that mostly senior students of college take due care of juniors when they are sick. In case of intentional or inadvertent cases of dreadful ragging incidents if noticed, the squad directly lodge the complaint against the guilty students to the chairman of Anti Ragging Committee for further investigation and guilty students are being punished. In this semester new system have been developed by the Government that all the students are made compulsory to fill the online anti ragging application forms. The college have strictly followed

the procedure and students have filled on applications through their respective advisors and recorded officially, to check them in time. In spite of that academic staff of this college takes due care of students personally. These activities of college keep healthy environment to the students for their education throughout year.

Table-12: Anti-Ragging Committee/Squad

| Sr. No. | Name and designation of the Employee | Designation | Mobile No. |

| | Parbhani | | |

The meetings pertaining to Anti-ragging Committee are regularly at the beginning of start of semester during odd and even semesters. During the meeting, students are brought to details to notice about the repercusions of ragging and how to curb the menance of ragging. Students especially new comers are encouraged to report any problem either to Anti-ragging Committee Chairman or respective advisors and immediate action is taken against the written or verbal complaint.

Table-13:Anti-ragging Committee proceedings

| Sr. No. | Year | Semester | Date | Proceedings/Outcome |
|------------|------|--|--|---|
| 1 | 2013 | (UG-III, V and VII Semester) (UG – I Semester) (PG-III Semester) (PG – I Semester) (Ph.DISemester) | 03.06.2013 19.07.2013 05.08.2013 19.09.2013 26.11.2013 | The meeting was conducted under the chairmanship of Dr. Chairman, he highlighted the different regulations and encouraged student to report |
| | | (Th.D. Isemester) | | any menace of ragging. No complaint registered by students. |
| 2 | 2013 | (UG-IV,VI&VIII Semester) (UG-II Semester) (PG-IVSemester) (PG- II Semester) (Ph.DIISemester) | 3.12.2013 30.12.2013 13.01.2014 10.03.2014 10.03.2014 | The meeting was conducted under the chairmanship of Dr. Chairman, he highlighted the different regulations and encouraged student to report any menace of ragging. No complaint registered by students. |

| | | | | students. |

No major inciednts of ragging occurred in the College of Food Technology, Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani

Anti-ragging Counselling of students

6.5.1.5 Biological waste disposal facility

- Institute does not generate radioactive or biological waste during the research and practicals.
- The biological waste collected in college and hostel premises are disposed by separating it as wet, dry and non-degradable. There is separate bins to collect waste (dry, wet, degradable and non-degradable) etc. further it is commonly and separately collected by the university vehicle for final disposal.
- Institutional waste of campus (papers, corrugated box, wood sticks, leaves, fruits and vegetable waste of practicals and research, etc.) are disposed to manure by special pit prepared for decomposing. Further, this manure is used for cultivation of different plant/trees in university college campus.

Biological Waste Disposal

6.5.1.6 Institutional Ethics Committee for Experiment on Animals

Experiments on animals are not conducted at College of Food Technology, VNMKV, Parbhani, however, in rare cases experiments on animals may required for the nutraceutical studies. For those cases, a committee under chairmanship of Associate Dean & Principal is formulated to provide the details on ethics for clinical studies. Researchers are required to collaborate with those institute who conduct clinical experiments on animals.

Table-14: Committee of institutional ethics for experiment on animals

| Sr. No. | Name of member | Post | Position |
|---------|-----------------------|---------------------|----------------------------|
| 1 | Dr. R.B. Kshirsagar | Chairman | Associate Dean & Principal |
| 2 | Dr. K.S. Gadhe | Member | Head Dept. FCN |
| 3 | Dr. V.S.Pawar | Member | Head Dept. FPT |
| 4 | Prof. D. R. More | Member | Head Dept. FBM |
| 5 | Prof. H. W. Deshpande | Member | Head Dept. FMS |
| 6 | Dr. B.S.Agarkar | Member of Secretary | Associate Professor |

6.5.1.7. Committee for Prevention of Sexual Harassment of Women at WorkPlaces

The College of Food Technology is adhering the sexual harassment of women at workplace (Prevention, Prohibition and Redressal Act, 2013). The constitution of sexual harassment committees is done as follows:

Table-15: Committee for Prevention of Sexual Harassment of Women

| Sr. No. | Name of member | Post | Position | Contact |
|---------|-----------------------|---------------------|---------------------|------------|
| 1 | Prof. Dr. VijayaPawar | Chairman | Associate professor | 9420626533 |
| 2 | Prof. A.A.Joshi | Member | Assistant professor | 9404193433 |
| 3 | Mrs. AfshaFarhat | Member | Junior Clark | 8149735895 |
| 4 | Mrs. S.R. Shelke | Member | Labour | 8379070327 |
| 5 | Ms. PratishaDighe | Member | Student | 9168975006 |
| 6 | Mrs. U.C. Deshpande | Member of secretary | Section officer | 9420883574 |

The above committee will work for the period of five years from the date of its constitution. Moreover, no complain regarding sexual harassment of women at work place has been received since last five years.

Associate Dean and Principal, College of Food Technology regularly assigned the responsibility to conduct the meeting for Prevention of Sexual Harassment of Women at College to the committee during the 1st week of beginning of semester. The different outcomes during the meeting are highlighted as follows;

Table-16: Outcomes of Committee for Prevention of Sexual Harassment of Women

| Sr. No. | Year | Semester | Date | Proceedings/Outcome |
|------------|------|--|--|---|
| 1 | 2013 | (UG-III, V and VII Semester) (UG – I Semester) (PG-III Semester) (PG – I Semester) (Ph.D.–ISemester) | 03.06.2013 19.07.2013 05.08.2013 19.09.2013 26.11.2013 | The meeting was conducted under the chairmanship of Dr. VijayaPawar, she highlighted the different regulations and encouraged staff members and student to report any harassment act. She assured confidentiality of reporting members. However, no complaint registered by staff or student. |
| 2 | 2013 | (UG-IV,VIandVIII Semester) (UG-II Semester) (PG-IVSemester) (PG- II Semester) (Ph.DIISemester) | 3.12.2013 30.12.2013 13.01.2014 10.03.2014 10.03.2014 | The meeting was conducted under the chairmanship of Dr. VijayaPawar, she highlighted the different regulations and encouraged staff members and student to report any harassment act. She assured confidentiality of reporting members. However, no complaint registered by staff or student. |

Institute cope up teaching, research and education activities by appointing the contractual faculty and invitee guest lectures.

6.5.2.3. Credentials of the Faculty

The College of Food Technology is one of the constituent faculty under Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani the selection and nomination has been done by the university authority as per Status and Act. The College of Food Technology has competent faculty member who are qualified to accomplish the mission and goals of the College of Food Technology. Further the educational qualification of each faculty and related work experience in field food science and technology make them professional licensure and documented excellence in teaching research and extension .moreover their higher qualification and professional work experience contribute to effective teaching and students learning outcomes to enhance their employability. The bio-data of individual staff members are enclosed Table 1 and 2.

6.5.2.4 Technical and Supporting Staff

The College of Food Technology has appointed adequate technical staff to cater the need of students practical's and to assess the food plant operation .further the technical staff also helps to perform the administrative work and supporting staff engaged in daily cleaning of department and pilot plants. Moreover, the supporting staff for the hostel has appointed on contractual basis to conduct the day to day work of the hostel.

Table-20: Position of technical staff

| Sr. | Post | Sanctioned | In position | Vacant |
|-----|-----------------------|------------|-------------|--------|
| No. | | | | |
| 1 | Senior Research | 6 | 1 | 5 |

College Library

6.5.3.2. Laboratories, Instructional farm, Workshops, Dairy Plant, Veterinary Clinic, Hatchery, Ponds etc.

College of food technology is equipped with enough laboratories and pilot plant for carrying out experimental work and skill development under various departments, summarized as follows:

Department of Food Process Technology

Food Process Technology is a major department of Food Technology equipment with sufficient laboratories for carrying out experiments pertaining to fruits and vegetables preservation and processing, cereal processing, legumes processing, animal product technology and number of experiments pertaining to preservation and quality evaluation of different food products.

Table-26: Laboratories and Instrumentation Room of Department of Food Process
Technology

| Sr. | Name of the Laboratory | Length | Breadth | Area |
|-----|---|--------|---------|--------|

| 9 | Instrumentation Room | 3.4 | 3.3 | 11 |

Department of Food Chemistry and Nutrition

College of Food Technology, Parbhani graduate is renowned for their research and laboratory skills due to Department of Food Chemistry and Nutrition. The department is fully operative and fulfilled with enough laboratories, equipments and expert faculty to carry out research and practical work.

Table-27: Laboratories, Instrumentation Room and Sophisticated Instrument
Laboratory of Department of Food Chemistry and Nutrition

| Sr. | Name of the Laboratory | Length | Breadth | Area |

| 4. | Laboratory- 7 | 6.50 | 4.90 | 32 |

Department of Food Plant Operations

Department of Food Plant Operations is established and READY programme to inculcate the practical skills amongst the student and the institute has enough infrastructure, pilot plant, pilot bakery unit and ELP (Fruits and vegetable processing) Unit for the purpose.

Pilot Bakery Unit

ELP Unit

Table-31: Food processing facilities at the institute

| Sr. | Name of the Processing Unit/Laboratory | Length | Breadth | Area |
|-----|--|--------|---------|---------|
| No. | Name of the Processing Onto Laboratory | (ft) | (ft) | (sq.ft) |
| 1. | ELP (Fruits and Vegetable Processing) unit | 85 | 50 | 4,250 |
| 2. | Pilot Plant | 120 | 98 | 11,760 |
| 3. | Pilot Bakery Unit | 50 | 63 | 3,150 |
| 4. | Rice Mill and Spice Processing Unit | 40 | 44 | 1,760 |

Niche Area Laboratory

Beside different laboratories under the departments, College of Food Technology is also equipment with State-of-Art Laboratory (Niche Area Laboratory) which is equipped with high end sophisticated equipments.

Niche Area Laboratory

Table-32: Niche Area Laboratory

| Sr. | Name of the Laboratory | Length | Breadth | Area |
|-----|------------------------|--------|---------|--------|
| No. | Name of the Laboratory | (m) | (m) | (sq.m) |
| 1. | Niche Area Laboratory | 20 | 6.4 | 128 |

6.5.3.3Student READY/ In-Plant Training / Internship / Experiential Learning Programmes

| | | | | |

ELP Modules

- Hands on training programme is implemented at VII semester for B. Tech. (Food Tech.) course to get acquainted with purchasing raw material, process, producing a quality product with minimizing waste generation.
- The experimental learning programme is to build up students entrepreneurship and working skills among the students.

- The products likeamla candy, mango squash, mango jam, guava jelly, spice and spice products, potato chips, banana chips, RTS pickles and bakery products are standardized with marketing.
- Up till Rs.8,79,143/-profit has been generated through sale of products in ELP during 2010- 2017. 50% profit is retained in institute and 50% of profit earned are distributed among students as per ELP directives.

Export of ELP Products

Visit of Dignitaries to ELP Unit

In-plant Training

- In-plant training is one of the constituent parts of academic activity at VIII semester in B.Tech. (Food Tech.) toexpose the students.
- During training students for industrial scale of production of food and allied with inventory exposed to various process involved in food industries at large scale.
- Minimum Rs. 500/- per month for a period of three and half months is given from year 2012-13 to 2016-17 as stipend for the students undergoing In=plant Training. The minimum Rs. 3000/- per month for the period of three and half months is given from year 2017-18 as stipend for students undergoing In-plant Training as per Vth Dean's Committee recommendations.

Table-34: Stipend given to students for In-plant Training

| Sr. No. | Year | Stipend Amount (Rs.) per student | Funding Agency | No. of Beneficiaries |

6.5.3.4 Curricula Delivery through IT (Smart classrooms/Interactive board, etc)

The College of Food Technology, Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani has established smart class rooms which bring the concept of "Show me and I understand" for better understanding of students. The innovative and meaningful use of ICT technology results in transforming the way teachers "teaching" and effective student "learning" in this college. The smart class rooms tools in terms of audio-visual senses shows to be more appealing for the students. This method of teaching help in turn to make students good communicators to resolve their difficulty at place. The list of smart class rooms tools are as follows,

- 1. Desktop and Laptop
- 3. Interactive White Board
- 5. Simple-Projector
- 7. Big Interactive LED/LCD Panels
- 9. Wireless Microphone for Convenience
- 11. Digital Podium

- 2. Document Camera/Visualize
- 4. Interactive Projector- Kayon
- 6. Digital Camera
- 8. Multimedia Pens/Stylus
- 10. Speakers
- 12. Printer

Student Computer Laboratory

SMART CLASSROOM

Smart classrooms are equipped with K-yan system for delivery of lectures using interactive boards, LCD and Internet facilities.

Table-35: Details of different smart classrooms available at college

| Sr. | Smart Classrooms Location | | Capacity | Length | Breadth | Area |
|-----|---------------------------|-----|----------|--------|---------|----------|

6.5.4 Student Development

6.5.4.1. Student Intake and Attrition (Including ICAR Nominee)

UG (B. Tech. – Food Technology) (Including ICAR Nominee)

College of Food Technology, Parbhani is a one of the most reputed institute of Food Technology in Maharashtra. Attrition of students is rarely intentional and very few students left there UG degree programme from the college only due to personal reasons.

Table-36: Student intake and attrition in the UG programme for last five years

| Sr. | Year | Students Intake | Students | % Attrition |
|-----|---------|-----------------|-----------|-------------|
| No. | | | Attrition | |
| 1. | 2013-14 | 64 | 03 | 4.68 |
| 2. | 2014-15 | 64 | 02 | 3.12 |
| 3. | 2015-16 | 64 | 01 | 1.56 |
| 4. | 2016-17 | 64 | 02 | 3.12 |
| 5. | 2017-18 | 64 | - | - |

PG (M. Tech. – Food Technology) (Including ICAR Nominee)

College of Food Technology, Parbhani is a one of the most reputed institute of Food Technology in Maharashtra. Attrition of students is rarely intentional and very few students left there UG degree programme from the college only due to personal reasons.

Table-37: Student intake and attrition in the PG programme for last five years

| Sr. | Year | Students Intake | Students | % Attrition |
|-----|---------|-----------------|-----------|-------------|
| No. | | | Attrition | |
| 1. | 2013-14 | 17 | 00 | - |
| 2. | 2014-15 | 25 | 00 | - |
| 3. | 2015-16 | 27 | 00 | - |
| 4. | 2016-17 | 15 | 01 | 6.66 |
| 5. | 2017-18 | 17 | 01 | 5.88 |

Ph. D. (Ph.D. – Food Technology) (Including ICAR Nominee)

College of Food Technology, Parbhani is a one of the most reputed institute of Food Technology in Maharashtra. Attrition of students is rarely intentional and very few students left there Ph.D. degree programme from the college only due to personal reasons.

Table-38: Student intake and attrition in the Ph.D programme for last five years

| Sr. No. | Year | Students Intake | Students Attrition | % Attrition |
|------------|---------|-----------------|-----------------------|-------------|
| 110. | | | Attition | |
| 11. | 2013-14 | 10 | 00 | 0 |
| 12. | 2014-15 | 07 | 00 | 0 |
| 13. | 2015-16 | 06 | 00 | 0 |

6.5.4.3 Admission Process

I.Online Process for Admission of UG

After declaration of 12th result within 15 days MCAER issue a notification regarding admission to UG Courses, which include the admission programme i.e. calendar for admission to UG courses. The interested and qualified students apply online. A copy of online duly complete form along with attested copies of all documents is submitted to ARC center. ARC center verify all the documents if any lacuna, it is informed to respective student. The corrected application form is submitted to MCAER, Pune. According to schedule MCAER display/ publish the entire merit list. Minimum one week allotted for grievances then final corrected merit list is displayed. According to the admission schedule the list of First round is displayed, which is valid for three days. Then Second, Third if required Fourth round will displayed and admissions are completed. The vacant positions are filled up by spot round. The spot round is arranged at respective college center.

II.Online Process for Admission of PG and Ph.D

The online admission process for PG and Ph.D same as UG except the entrance exam (CET) is conducted by MCAER. The final list is displayed, taking 70% CET marks and 30% graduate UG/PG CGPA respectively for PG and Ph.D. Admission.

III.Registration process

After payment of fees students contact to the respective advisor to take registration form, then he/she fill up the form which includes Course No., Course title and Credits. Then advisor sign for each course and respective course teachers are also sign and keep records

with them. Submission of registration form after complete one original and two Xerox submitted to respective advisor. One Xerox copy is return to student, one Xerox with advisor and original submitted to ADP office (Education branch). Education In-Charge displays the academic schedule and circulates to each academic staff.

6.5.4.4. Conduct of Practical and Hands on Training

Hands on training programme is implemented at 7th semester for B.Tech (Food Technology) course, with the intention that students should not be only prefect in theoretical knowledge but should gain actual practical knowledge during production on plant. They should get the knowledge of purchase raw material, processing, producing a quality product with minimizing the waste generation to acquire the various on field problem encounter during sale of products. To implants various techniques to increase the sale of products etc. the experiential learning programme is implemented with following objectives:

- 1. To build up students entrepreneurship skills.
- 2. To develop business and marketing skill.
- 3. Model for achieving excellence in practical work.
- 4. To build up ability in becoming successful
- 5. To train the students in utilizing theoretical knowledge in to practical knowledge.

During experiential learning programme the students are allotted one or two products in fruit and vegetable processing. The products such as amla candy, mango squash, mango jam, Guava jelly, spice and spice products. Various RTS production, let chip preparation, potato chips, Banana chips etc. The 50% profit obtained through the scale of product is distributed among the students and 50% profit is retained in institute, so far Rs. 8,53,000/profit has been generated through sale of product in ELP from 2010-2016 in College of Food Technology. This programme is implemented in this college at great enthusiasm and results are very fruitful.

Table-42: Details of products prepared during Hands-on-Training (ELP)

| Sr. | Year | No. of | Products | Amount | Profit 50% |
|-----|---------|----------|---------------------------------|-------------------|------------|
| No. | | Students | | distributed (Rs.) | (Rs.) |
| 1 | 2013-14 | 54 | RTS, squash, pickles, bakery | | 43400=00 |
| 2 | 2014-15 | 63 | products, jam, jelly, ketchup, | | |
| 3 | 2015-16 | 54 | tomato products, papad, spices, | 100000=00 | 15320=00 |
| 4 | 2016-17 | 55 | confectionery products, candy, | 100000=00 | 14725=00 |
| 5 | 2017-18 | 52 | turmeric powder, soy products, | 100000=00 | 25265=00 |
| | | | etc. | | |

6.5.4.5. Examination and Evaluation Process

The internal and external system of evaluation is followed for UG, PG and Ph.D. in all the faculties in the University. In case of theory examination 20per cent marks are allotted for mid semester exam and 80 per cent marks are allotted for final theory exam. In case of practical examination 20per cent marks are given for practical record and assignment and 80per cent marks are given for final practical examination.

As per the Vth Deans Committee syllabus for degree programme, the system of evaluation is as follows

Table-43: Conversion of Percent marks to grade points (CGPA)

| Percent marks | Conversion into points |
|---------------|------------------------|
| 100 | 10 Points |
| 90 - 99.99 | 9.0 – 9.99 |
| 80 - 89.99 | 8.0 – 8.99 |
| 70 - 79.99 | 7.0 – 7.99 |
| 60 - 69.99 | 6.0 – 6.99 |
| 50 – 59.99 | 5.0 – 5.99 |

Table-44: Students completed degree in Last Five Years

| Sr. No. | Academic Year | Number of students completed degree programme | | | |
|---------|---------------|---|----|-------|--|
| | | UG | PG | Ph.D. | |
| 1 | 2013-14 | 54 | 17 | 10 | |
| 2 | 2014-15 | 63 | 25 | 07 | |
| 3 | 2015-16 | 54 | 27 | 06 | |
| 4 | 2016-17 | 55 | 14 | 07 | |
| 5 | 2017-18 | 52 | 16 | 04 | |

UG Laboratory

Food Products prepared and sold under ELP/Hands on Training

Food Products prepared and sold under ELP/Hands on Training

The minimum marks for passing the per subject will be 50%.

Examination Hall

Division of Results (for UG)

Table-45: Division of Results for UG, PG and Ph.D. Programmes

| Division | UG CGPA | PG CGPA | Ph.D. CGPA |
|------------------|-------------------|------------------|----------------|
| Fail | 4.999 and below | 6.499 and below | 6.99 and below |
| Pass Class | 5.000 – 5.999 6.5 | | 7.0 |
| Second Division | 6.000 - 6.999 | 6.5and below 7.5 | 7.0 - 7.49 |
| First Division | 7.000 - 7.999 | 7.5–8.5 | 7.5-8.5 |
| First Class with | 8.000 and Above | 8.5 and Above | 8.5 and above |
| Distinction | | | |

There is no provision of grace marks as per Vth Deans Committee of ICAR. Therefore, provision of grace marks is removed for the students admitted from the Academic year 2017-18 onwards.

6.5.4.6. NCC/NSS/RVC Units

University NSS coordinator has allotted a unit of 100 volunteers with a programme officer to the College of Food Technology. Accordingly NSS unit is functioning smoothly. The fresh enrollment of 50 volunteers for I year is scheduled for III semester students of B.Tech. (Food Tech) and for the II year 50 students continued. The student enters in III semester and exit after VIthsemester after completion of two years participating the special camp.

Table-46: Regular activities of NSS

| Sr. | Year | Regular Activities* |
|-----|---------|--|
| No. | | |
| 1 | 2013-14 | Personality Development programme, Campus cleaning |
| 2 | 2014-15 | campaign, tree plantation programme, art of living programme, |
| 3 | 2015-16 | visit to adopted villages, group discussions, interaction with |
| 4 | 2016-17 | farmers during Shetkari Melahas, Mahila Melavas, organizations |
| 5 | 2017-18 | of rallies, aid awareness, nutrition and health awareness |
| | | programmes, Dowry awareness programmes. |

All these regular activities are carried out on 1st and 3rd Saturday on the month.

These regular activities of NSS helps the volunteers to develop their personality, communication skill, better understanding the rural problems and the solutions for the upliptment of the rural people through food processing to enhance the economic status. Better utilization of available resources to convert them to value addition, conversion of waste to best through by product utilization. This activities help not only to the volunteers but to all students of B.Tech. to understand the practically the plat form for commercial application of knowledge and its implementation to the society.

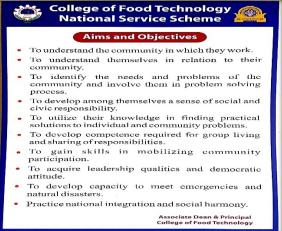

Table-47: Special Activities of NSS

| Sr. No. | Year | Student Enrolled | Special Camp details | Dates | Regular Activates |
|------------|-------------|---------------------|-------------------------|--------------------------------|--|
| 1. | 2013-14 | 100 | Pokharni, Parbhani | 22/03/2014 to 28/03/2014 | Blood donation, Cleaning campaign, Lecturer series for farmers related agriculture, Food processing demonstration, Street drama, Speech and Drawing Competition for school children's, Cultural programme, programme for drug addiction, alcoholization, tobacco and its side effect, Prabhat Feri and Art of leaving programme |
| 2. | 2014- 15 | 100 | Navagargh, Parbhani | 13/03/2015 to 19/03/2015 | Blood donation, Cleaning campaign, Lecturer series for farmers related agriculture, Food processing demonstration, Street drama, Speech and Drawing Competition for school |

| | | | | | children's, Cultural programme, programme for drug addiction, alcoholization, tobacco and its side effect, Prabhat Feri and Art of leaving programme |

Guidelines for Course Execution

Objectives of this Course: This course has been designed:

- 1. To inculcate a sense of confidence in the students.
- 2. To help them become good communicators both socially and professionally.
- 3. To assist them to enhance their power of Technical Communication.

Detailed Course Outlines / Topics to be covered and number of hours required for it.

A. Language Laboratory Practice

1. **Introduction:**(3hours:Lectures + Laboratory Practice Sessions)

Introductory lecture is to be given to the students so that they get a clear idea of the syllabus and understand the need for having such a practice lab in the first place. Introductory Lecture to help the students get a clear idea of Technical Communication and the need of Language.

2. Conversation Practice Sessions: (To be done as real life interactions) 2L+4P (6 hours)

Conversion practice is done on given situation topics. Training the students by using Language Lab Device/Recommended Texts/cassettes /CDs to get their Listening.

Example: Students made to listen to pre-recorded CDs (Produced by British Council and Universities of Oxford and Cambridge).

- a) Skill and Speaking Skill honed.
- b) Introducing Role Play & honing over all Communicative Competence.

3. Group Discussion Sessions: 2L+6P (6 hours)

The students are made to understand the difference between the language of conversion and group discussion. Strategies of such discussions are to teach to them. It is also helpful to use video cassettes produced by the U.G.C. on topics like group-discussion. After wards the class is divided into groups and the students have to discuss on given topics on current socio-economic-political educational importance.

a) Teaching Strategies of Group Discussion.

- b) Introducing Different Models & Topics of Group Discussion.
- c) Exploring Live /Recorded GD Sessions for mending students' attitude/approach and for taking remedial measure.

4. Interview Sessions: 2L+6P (8 hours)

Students are taught the do's and don'ts of facing a successful interview. They then have to face rigorous practices of mock-interviews. There simulations of real life interview sessions where students have to face an interview panel.

- a) Training students to face Job Interviews confidently and successfully.
- b) Arranging Mock Interviews and Practice Sessions for integrating Listening Skill with

Speaking Skill in a formal situation for effective communication.

5. Presentations: 2L+6P (8 hours)

The secrets of an effective presentation are taught to the students. Then each and every student has to make lab presentations with the help of the Overhead projector/using power point presentation and other audio-visual aids in the laboratory. They also have to face the question answer sessions at the end of their presentation.

- a) Teaching Presentation as a skill
- b) Strategies and Standard Practices of Individual /Group Presentation
- c) Media & Means of Presentation: OHP/POWER POINT/ Other Audio-Visual Aids.

6. Competitive Examination: 2L+2P (4 hours)

Classes are also allotted to prepare the students for competitive examinations.

- a) Making the students aware of Provincial /National/International Competitive Examinations
- b) Strategies/Tactics for success in Competitive Examinations
- c) SWOT Analysis and its Application in fixing Target.

B. Technical Report Writing: 2L+6P (8 hours)

- 1. Report Types (Organizational / Commercial / Business / Project)
- 2. Report Format & Organization of Writing Materials
- 3. Report Writing (Practice Sessions & Workshops)

The overall aim of this course is to inculcate a sense of confidence in the students and help them to become good communicators in their social as well as professional lives.

6.5.4.8. Cultural Center

The college of food technology having a cultural functional hall where different cultural activities like dance, drama, mayhem, singing, skit, one act play, mono act, literary, painting, drawing etc. carried out and celebrating the various traditional functions such as Ganesh festival, BabasahebAmbedkarJayanti, ShivajiMaharajJayanti, Gandhi Jayanti, Teachers day, Republic day, Independence day, etc.

6.5.4.9. Personality Development

Personality Development Lab is established with Language Laboratory to facilitate the overall Personality Development Programme.

The students admitted to College of Food Technology are from rural background, they have very less exposure to develop their personality to compete with urban students.

College regularly arrange motivational lectures, personality development programmes from renowned food professionals to build confidence and courage among the students, the food professionals interact with students, discus to develop the skill to face interviews and knowledge which improves employability.

We encourage the students to join the English speaking courses to develop their grammar, English language and vocabulary in English. We encouraged reading newspapers to improve the reading and improve work power in English.

(The programme is carried out in first week of every UG registration process)

6.5.5 Physical facilities

6.5.5.1. Hostels

- 1. Boys Hostel: There are two Boys Hostels available for the college students namely
- (1) Shishir Hostel for UG boys, having 60 rooms with 18 toilets, 18 bathrooms with 12 wash basins, 18 urinals with regular cleaning. Hostel has two stands each for cycle and motor cycle. Two borewells are for water facility with two storage tanks for adequate water supply. Hostel has one TV hall, one library hall, T.T. hall. Hostel has two Mess facilities with dining table, chairs, Gas & stainless steal equipments, utensils R.O drinking water facility is

provided to the students. For continuity of light inverter facility is provided. Three security guards & three regular peon with one sweeper along with one hostel warden, one assistant Hostel warden and one supervisor on cum electrician are working for the day to day hostel management. Hostel has play ground and garden. During winter solar water heater system is working.

Table-49: Boys Hostel UG (Shishir)

| Sr. No. | Year | Capacity | No. of students | Mess Facility | Drinking Water | Indoor games |
|------------|---------|----------|-----------------|------------------|-------------------|--------------|
| 1. | 2013-14 | 120 | 125 | Yes | Yes | Yes |

Devgiri Boys Hostel (PG/Ph.D.)

2. Girls Hostel: Two hostels are available for girls at University level 1. Varsha girls hostel for B.Tech girls students 2.Rajmata Jijau Girls Hostel for M.Tech. and Ph.D. girls students. Students per room accommodated is 03 girl, Mess facility is available, For drinking water R.O. Facility is available, For indoor games Recreation hall is available, Cleaning of hostel premises is Regularly maintained, Transport facility by University vehicle Emergency medical facility at University Clinic (Medical Officer).

Varsha Girls Hostel (UG Students) and Rajmata Jijau Girls Hostel (PG/Ph.D. Students)

6.5.5.2. Examination hall

There are six examination halls are available in the College of Food Technology, Parbhani. The capacity of each examination hall is given as follows:

Table-51: Examination hall

| Sr. | Hall No. Department | | Capacity | Year of |
|-----|-------------------------|-----------------------|----------|--------------|
| No. | | | | Construction |
| 1. | Main Examination Hall | Food Engineering (UG) | 150 | 1979 |
| 2. | Lecture Hall No. 4 | Food Engineering (PG) | 25 | 1979 |
| 3. | Lecture Hall (PG) No. 5 | Food Engineering (PG) | 20 | 1979 |
| | | Total Number | 195 | |

The main examination hall of College is located in the department of Food Engineering, it is equiped with abundant lightening facilities, fans, coolers and CCTV cameras to keep the watch on students. Moreover, other class rooms on Food Engineering departments are also being utilized for conducting examination in case the number of students are higher than capacity.

Main Examination Hall

6.5.5.3. Sports and Recreation Facilities

- 1. At college level the following indoor game facilities are available.
 - i. Table Tennis
 - ii. Chess
 - iii. Carom

Students enjoy all these games daily. The facilities required for all these games are available at place

- 2. At the college level the following outdoor sports facilities are available
 - i. Volley Ball
 - ii. Cricket
 - iii. Kho-Kho
 - iv. Athletics
 - v. Basket Ball

All the facilities for the above game are available

Other sports activities are organized at university level

- a. Indoor-Badminton
- b. Gym activities
- c. Outdoor Lawn tennis, Basket ball, Hand ball and Foot ball

Besides President Gymkhana at college level there is a one Vice-President Gymkhana, Secretary Gymkhana and In-charge Officer of respective games are actually involved in day to day practice of various above sports and cultural activities.

The college has Gymkhana Fund which is collected from the UG, PG and Ph.D. students during every academic year. This budget is utilized for purchase of various sports materials and sports kits every year. The budget is also used for organizing various cultural activities like Ganesh Festival, Shiv Jayanti, Ambedkar Jayanti and Youth Festival.

Expenditure of News Papers and Magazines also met from the Gymkhana fund and Alumina fund. The college also organizes lecture series which is also managed by Gymkhana.

3. At college level there is one recreation hall which is having all the facilities for organizing the various cultural activities.

One at college $-19.80 \times 6.40 \times 4.50 \text{m}$

One Hostel level – 20.42 x 8.22 x 3.96m

6.5.5.4 Auditorium

College has auditorium, it was constructed in the year 1979 when the student's intake capacity was 32. With modification the capacity is now increased to 150, the College auditorium / seminar hall is being regularly used to conduct seminars of students, guest lectures, training programmes of students, Farmers, entrepreneurs, unemployed youths and self help groups.

Dimensions - 19.80 x 6.40 x 4.50m

Capacity - 150

College Mini Auditorium

6.5.5.5 Exhibition Hall/Museum

College exhibits of research activities during special occasions, visits, farmer's rallies, farmer's visits, training programmes at niche areas laboratory by displaying live seminars, boards, charts, folders etc.

6.5.6. Research Facilities

6.5.6.1. Postgraduate Laboratories and Equipments

Clearly mention the department wise PG laboratories and equipment housed in individual laboratory in the college along with any other research unit.

Table-52: PG Laboratories at college

| Sr. no. | Laboratory |

6.5.7.4 Employability

College takes due efforts to enhance the student employability. The institute focuses not only on technical development but also on overall development of students. Different activities to enhance the employability of students are summarized as follows:

• Communication Skills: The course curricular is taught with English as a teaching medium. Moreover, different activities of Language laboratory are carried out to enhance the communication skills of students.

- **Teamwork:** Students are encouraged to participate in different events through events like Indra-Dhanushya, Youth Festivals, etc. where different teamwork skills amongst the students are developed.
- Critical Thinking: Students are given different real life problems in various subjects of B. Tech (Food Technology) to apply their thinking and come up with the new solutions.
- Information Technology (IT) Knowledge: Besides teaching ofIT subject in course curriculum, Students are also encouraged to submit different assignments in word document, give presentation through computer using PowerPoint Presentation, search out different information using internet.
- Ethical values: Through NSS activities, different ethical values are inculcated amongst the students to preserve the moral values, social welfare, responsibility towards nation.
- **ELP Programme:**Students are trained practically during ELP programme in VII semester

ELP Product selling counter of students during Exhibition

Earn While Learn (EWL)

• The Earn While Learn Program provides opportunities to the students to earn while they are learning through the entrepreneurial project thus preparing them to shoulder professional assignments with relative ease. The details Earn While Learn Program for last five years is as follows;

Earn While Learn (EWL) Programme

Table-60: Student's earning under EWL programme in last five years

| Sr. | Year | Distributed Amount | Products | Earned |
|-----|---------|--------------------|---------------------------|---------------------|
| No. | | (Rs.) | | (Rs.) |
| 1 | 2013-14 | 23000=00 | Carrot candy, turmeric | 9600=00 |
| | | | powder, RTS Beverage | |
| 2 | 2014-15 | 11500=00 | RTS Beverage, aonla candy | 4300=00 |
| 3 | 2015-16 | 5000=00 | RTS Beverage | 1000=00 |
| 4 | 2016-17 | | | |
| 5 | 2017-18 | 38000=00 | Turmeric powder, chilli | 3000=00 |
| | | | powder, bread and cookies | (Profit is awaited) |

• HACCP and ISO 22000 Training Programme: Every year minimum 60 students undergoneHACCP and ISO 22000 training programme by Mr. Sanjay Indani(Recognized Programme co-ordinator). Students also given certificate of this training which is very useful for selection of good position in food industry. This training is also useful while working in the food industry.

Organization of HACCP Internal Auditor Programme for Students

Extension Activities and visitors:

• Tree Plantation:

Tree Plantation Programme in College Premises

• Farmers & Mahila Melawa

Demonstrations and Exhibition of food products and processing to Stakeholders

• Visitors:

Visit of District Collector of Parbhani

The degree holders become self-employees as Industrialist and Entrepreneurs

Since the inception of the college, number of students preferred being entrepreneurs, some of the eminent entrepreneurs from the college are summarized here:

1. EravantSadanand - Oil Industry Dharmabad

2. VyankatSomwanshi - KSACP Limited

3. Fasihuddin Syed - Desai Brothers Limited, Pune

4. TukaramChate - Haldiram Foods, Pune

5. AvinashPhirke - Exotic Fruit Pvt Ltd, Ratanagiri

6. GanshyamRathi - Prop Ram Agency

7. Dr. SangamKurade - Zuari Foods And Farms Pvt. Ltd, Goa

8. Vinayak Maliwal - Oil Industry, Nanded

9. JaywantChiddrawar - Food Trading Business, Pusad

10. PurshottamBaheti - Exotic Food Products, Ratnagiri

11. Md. Yusuf Inamdar - Vishwas Agro Products, Pvt. Ltd, Parbhani

12. Sanjay Indani - Safe Foods Solutions, Mumbai

13. Sunil Awari - Namdhari Seeds

14. Kailas Jadhav - Padmini Food Products, Udgir

15. GovindJadhav - Shri Venkatesh Food Laboratory, Nanded

16. Rajeshkumar Rai - Sancks Manufacturing Unit, Banaras

17. George Thomas - Fruit Processing Industry,

Ernakulum

18. Sanjay Kulkarni - RasRasit Foods, Aurangabad

19. Ashokkumar Khatri - Sai Flavors LLC, Dubai

20. SatyajeetPandilwar - Aditya Foods, Beed

21. DamodarBhandwale - Kudus Bakery Industries, Nanded

22. Mohammed Ghaus - Zain Agro Pvt. Ltd, Parbhani

23. UdayNaik - Aromax Creation, Aurangabad

24. SrikantPandurangan - SriangaJewelleryProperitor

25. Baswaraj Morkhande - Kumaresh Agro Industry, Aurangabad

26. Balasaheb Gitte - Marathwada Agro Processed Farmer Co. Ltd.,

Osd.

27. Prafulkumar Bhandari - AmrutDhara Dairy, Pusad

28. Anil Mehtre - Shivam Builders And Promoters, Jalna

29. ShyamGambhire - Royal Ingredients Groups, Pvt. Ltd, Mumbai

30. Javed Shaikh - Zoniya Enterprises

31. UmeshKamble - Farm To Fork Solution India, Pvt. Ltd, Mumbai

32. Santosh Narlawar - Oil Mill Industry, Degloor

33. Gaurav Ladda - SB Cotton Ginning And Pressing, Parbhani

34. SushilkumarMundhe - Own Food Processing Unit, Parbhani

• Entrepreneur
