Dr. Ashok S. Dhawan
VICE-CHANCELLOR

MESSAGE

Indian Agriculture has transformed predominantly from subsistence agriculture to its highly commercialized and technologically advanced form. The food processing sector has emerged as a gambit of opportunities for all food technological professionals. The College of Food Technology under Vasant Rao Naik Marathwada Krishi Vidyapeeth, Parbhani being one of the pioneer institutes in the area of Food Science and Technology nurtured more than thousand highly skillful Food Technologists since its inception who are occupying key positions in the Government Institutions, Public sector undertakings, leading premier Food Science Institutions and all types of the corporate organizations from multinational corporations to small and medium enterprises.

In this context, it is appropriate to compile the information of our illustrious alumni with their detail information many of whom are potential employer of our Graduates and Post Graduates students from faculty of Food Technology and also contributing for fulfilling the dream of "Make in India Mission" as envisaged by our Hon. Prime Minister of India.

I appreciate the initiative taken by the Associate Dean and Principal and his colleagues from College of Food Technology for publishing the directory of pass out students from the faculty who are shouldering the responsible positions in different walks of life.

I wish them very good success in their efforts in nation building.

(Ashok S. Dhawan)
